

Pinnacles Lighting Project Pvt. Ltd.

Details of projects undertaken for CSR activities for FY 2021-22

Board of Directors of the Company had approved to spend not less than Rs. 6 lakh on Promotion of Health and Response to Covid 19 Pandemic.

- Project name - Upgradation of Government run Capital Hospital, Bhubaneswar.
- Implementation partner - Crompton CSR Foundation.

As a part of the commitment to rise to the occasion when the Nation needs it the most and to support Government efforts in providing quality health care services to all, the Company extended its support to upgrade existing facility at Government run Capital Hospital in Bhubaneswar.

Capital Hospital is a Flagship hospital of Government of Odisha. Started in 1954, Capital Hospital is the main center of hope and aspiration of 10-12 lakhs of people of Bhubaneswar, along with adjacent districts like Khurda, Nayagarh and Puri. The endeavour was to increase accessibility and affordability of quality medical facilities for community from low income group.
